*Letter*—from S. B. Murray, Esq., Superintending Engineer, VI Circle.
*To*—the Chief Engineer for Irrigation.
*Dated*—Trichinopoly, the 30th August 1912.
*No.*—1081-C.E./393-B.

I have the honour to forward herewith for your approval and sanction of Government an estimate amounting to Rs. 2,210 for constructing quarters at Edayapatti for the sub-section officer in charge of the two tail end offtakes of the X branch channel, viz., the Tiruvadur offtake, and the Chunamboor offtake, with all the distributaries and the tanks within that area, in the Periyār system, Madura district.

2. There is no suitable accommodation available anywhere for the sub-overseer to live in, and it is essential in the interest of irrigation that he should reside within his charge. Edayapatti has been selected as a suitable place for his head-quarters, so I request that you will obtain the sanction of Government to the construction of the quarters, and their occupation rent-free, under Public Works Code, paragraph 919, rule IV, so long as they are occupied by subordinates drawing less than Rs. 50 per mensem. Should, at any time, they be occupied by an officer drawing more than Rs. 50, a monthly rental of a sum equivalent to 5 per cent. of the salary of the occupant will be collected, with reference to Public Works Code, paragraph 919 (IV) (*b*).

3. The design adopted for the building is similar to that for quarters at other centres in the Periyār system, such as at Kallandri, Pulipatti, etc. It is shown on plan M.D. No. 329 A of 1911, and calls for no special remarks.

4. The work will be completed before the end of 31st March 1914.

5. The rates entered in the estimate are fair, and the estimate is recommended for sanction.

---

II

**Endorsement by the Chief Engineer for Irrigation, R.O.C. No. 2441/12, dated 29th December 1912.**

Submitted to Government with the recommendation that the estimate for the quarters may be sanctioned.

2. Under paragraph 919 (IV) of the Public Works Department Code, the rent will be entirely remitted for the quarters when compulsorily occupied by a sub-overseer whose pay does not exceed Rs. 50. In cases where the salary drawn exceeds Rs. 50 rent will be charged at 5 per cent. on the salary and local allowance of the sub-overseer provided that the amount charged shall not exceed the rental of the building occupied if assessed in accordance with rules I and II.

H. E. Clerk,
*Chief Engineer for Irrigation.*

To the Joint Secretary, Public Works Department (Irrigation Branch)
with current file in original.

Estimate for constructing quarters for the sub-section officer at Edayapatti - Periyar Project

[C. No 2441/12]

From the Supg. Engineer, VI circle, No 1081CE/393D d/ 30.8.12

DE I

E.1. The necessity for the construction of quarters for the sub-section officer at Edayapatti is explained in the S.E's letter. pp 1-2 Cf The reference in para 2 of the S.E's letter to para 919 IV of the Code appears to be made to the original ruling. This has since been modified by S.Os No. 216 & 266. The Local Govt has the power to sanction the entire or partial remission of rent in the case of quarters occupied by Govt servants drawing salaries not exceeding Rs 500 when ~~it~~ the salary is charged wholly or partly to Provincial and Rs 100 when it is charged wholly to Imperial, Revenues. The concluding sentence of para 2 of the letter does not therefore appear to be correct. As the pay of ~~the~~ Sub-Overseers varies from Rs 25 to 70 p.m. it is submitted that they may be permitted to occupy the quarters rent free. The estimate will if approved, be checked for sanction

~~To await for plans from the office?~~

P.W. Code para: 919, Rule IV as modified by Standing Order no. 216 of 19-10-10 no doubt empowers Local Govts to sanction at their discretion the entire or partial remission of rents ordinarily leviable by rule in the case of quarters occupied by Govt. servants drawing salaries not exceeding Rs 500 per mensem, when the salary is charged wholly or partly to Provincial revenues. But in the case of quarters occupied by Lower Subordinates on the Irrigation Conservancy establishment the old rule is apparently still being followed (i.e.) when the salary drawn does not exceed Rs 50 per mensem no rent is charged. When it exceeds Rs 50, rent at 5% of salary is charged vide G. Com. 677 W of 17.6.07 & 1110 W of 24.10.10.
